RockN'5L Rodeo Company

Rules & Regulations 2024

Mission Statement

To promote the sport of rodeo among our youth in a friendly and loving environment and to prepare them to compete at the next level.

Motto

Here at RockN'5L Rodeo Company, it is our mission to grow the sport of rodeo and bring back character that we feel the sport has lost through the years.

Goals

1. Grow the sport of rodeo
2. Prepare our athletes for the next level
3. Instill character in the sport and in our contestants

Plan of Action

Growing the Sport

To grow our sport, we must grow the number of our contestants and fan base.

How?

To grow our contestant numbers at the professional level, we must start at the youth level we set forth with a goal preparing your child to be successful at the next level- For our young men and women that will be Jr. High Division/ for our Jr. High Division that will be High School Division/ High School Division that will be either College or ultimately Professional.

Prepare the Athlete

How?

We are committed to providing the appropriate stock, experienced personnel, knowledgeable mentors, and are willing to dedicate countless hours to your child's success.

Instill Character

How?

Character is something that is usually inherited and not taught. Good character consists of many things. We believe there are 6 major things one must have to show character.

1. Honesty
2. Work Ethic
3. Take Responsibility for one's own actions
4. Willing to help yourself and others
5. Doing all things with a good attitude
6. Setting good examples

From Us to You

As in everything we do, rodeo will always have complaints and concerns from the contestants, parents, fans, personnel etc. RockN'5L Rodeo Company is a new entity. With all new things there's growing periods and learning curves. We are not by any means claiming to be perfect or even always right. We do not live in a make-believe land where we believe we have it all figured out. We, as a whole, give our heart and soul to this association. With that being said, we can't do it alone. We are open to suggestions and constructive criticism, but the ones with suggestions and criticism (complaints) must be willing to do their part to help with those issues and understand that everything never works best for everyone. Some complaints we hear how long the rodeo lasts. We have hundreds of entries per rodeo. Youth Rodeos make for long days when children (our contestants) work multiple events on the timed event side and rough stock end of the arena.

Fix

We offer staggering times to pay fees determined by event worked.

We will be meeting with personnel to get more efficient.

Parents

Help have contestants/horse ready.

Purchase your own equipment, sharing takes time. Donate time at Rodeo.

Most of all, be understanding and have a good attitude. We all know that bad attitudes are contagious and a cancer to any organized event or even the workplace. Let's all enjoy not only the success but have fun during the process. (Kids feed from adults!)

Final Note

If strangers are willing to donate 100+ hours a month to the success of your child, is 12 hours of your time a month a lot to donate to your own child's success?

Junior, Senior & Super Senior Ranch Sorting (Boys & Girls Compete together)

General Rules:

1. Ranch sorting is a 2 Contestant team **AND** will be called-in and scored as a Team Event for points purposes.
2. **A 2 Draw limit will be ENFORCED.** You may call-in needing a draw partner or use a draw partner if your call-in partner is absent, but this will only be allowed two (2) times during the entire duration of the season. **NO DRAW PARTNERS WILL BE ALLOWED FOR FINALS.**
3. **Team members can be a combination of any age group. Ex. Junior and Super Senior, Senior and Senior.**
4. Each team will sort cattle 0-9 (10 head total) subsequently.
5. Cattle herds will be ran at max of ten (10) runs consequently, then switched out for a fresh herd. If less than, RockN'5L Rodeo reserves the right to divide the runs accordingly to run the herds as equally as possible.
6. Initial cattle number called, starting the sorting will be a draw, however, will NOT be posted for advanced knowledge! Each cattle sorted next will be subsequent to the initial number called. Ex. Draw number 6, Sort 6,7,8,9,0,1,2,3,4,5 to sort all 10 cattle. Not sorting in this correct order will result in a disqualification.
7. Spotting is allowed and actually encouraged by the Ranch Sorting National Championship (RSNC), meaning any by standers can let the contestants know what number is next and/or where its location maybe.
8. A smaller arena or pen will be set up inside the large arena of Crazy P Arena and will be the definition of the arena or pen in this event.
9. A run starts with team members on opposite side of start line from cattle. The team has the option to push cattle to the far side of the pen before starting.
10. The judge will raise the flag when the pen is ready. The judge will signal the

- beginning of the run by dropping the flag when the nose of the first horse crosses the start/foul line and the first number to be sorted will be announced.
11. The announcer will call the draw number, which will determine the first cow to be sorted. The cattle will then be sorted increasing in sequence from that number (see #6).
 12. Electric eye timers as well as back up timers will be used.
 13. Team members will rotate being the sorter & gate man. A personal decision of who will go after the 1st cow called and who will be gate man, is to be made between themselves before starting. Once the starter contestant, (1st Horse), has gotten their 1st cow in the pen, they then will stand in place defending the gate while the other contestant retrieves the next cow in sequence. They will then stand as the gate man with the 1st horse going to retrieve the 3rd cow in sequence. This rotation will continue until all the cows are sorted or time has elapsed.
 14. If two or more cows cross the line together, as long as the nose of the correct number or numbers cross the line first, the cattle are considered to be in order regardless of whether they finish crossing in that order.
 15. Cows are not counted as sorted until they are completely across the line.

Time Limit:

1. Teams will have a 90 Second Time Limit, regardless of age divisions. **Judges' time is the official time.**
2. Time to start when the first horse's nose crosses the plain and will end when the last cow is completely across the plain or team has reached the 90 second time limit.

Scoring and Penalties:

1. This event is scored with a combination of the amount of cattle sorted **AND** the fastest time and will both stand as factors when placing the teams for points. The number of cattle sorted stands as the 1st factor. (Ex. 1st place- all 10 cattle in 15.000 secs, 2nd place- all 10 cattle in 90.000 second time limit, 3rd place- only 7 cattle in 90.000 second time limit.)
2. Teammates will receive the same points for that rodeo, and split placing payouts.
3. **Final awards** will be given for 1st through 5th places based on points accumulated through the season, with only two (2) set of awards for **THE ENTIRE** age divisions combined.
4. If any part of a wrong numbered cow/calf starts across the line, it is a **No Time**.
5. If any part of a correctly numbered cow/calf starts across the line and then backs out it is also considered a **No Time**.
6. The cattle must be sorted in number sequence. If any part of a cow/calf crosses the start/foul line out of sequence before the correct cow/calf starts across the start/foul line a disqualification will occur and result in a **No Time**.
7. A disqualification will also occur if any part of a sorted cow/calf re-crosses the start/foul line and result in a **No Time**. Any cattle not entirely across the start/foul line will not be counted as sorted and the team will not receive scoring for said cattle.
8. Abusive schooling or treatment of horses will **NOT** be tolerated. Any contestant who is in violation of this rule will be disqualified, and the **TEAM** will receive a **No Time**.
9. A team will be disqualified for roughing cattle, consisting of any physical contact by horse or rider at the judge's discretion, and the **TEAM** will receive a **No Time**.
10. **On Foot-** Any rider working cattle must be mounted on horseback. Working cattle on foot is reason for disqualification. If a contestant falls off their horse, this is not an automatic disqualification, but must remount before either teammate continues to sort cattle.
11. **Lead-line-** No contestant will be allowed to be lead-line in this event due to safety. Any contestant attempting to lead-line will be disqualified, and the **TEAM** will receive a **No Time**.
12. **Hazing-** Contact with cattle by hands, ropes, bats, or any other equipment or apparel is NOT

- allowed and will result in a **No Time** as a **TEAM**. Waiving of hats, reins, and/or whips at cattle will also result in a **No Time** as a **TEAM**.
13. If no cows/cattle are sorted in the allotted time the TEAM will receive a No Time.
 14. **Gate Call**- There is a 30 second gate call for every team after the announcer calls for that team. If that team has not entered the arena pen within the allotted time they may be disqualified.
 15. **OUTSIDE INTERFERENCE**- in regard to already sorted cattle- When a team is running and it is determined by the judge that interference from outside the arena adversely affect the run, the judge will give the team an option of a re ride from scratch or time and cattle sorted when the infraction occurred.
 16. **Judges may disqualify contestants who have been advised he/she is next to go if he/she is not mounted on their horse, ready to go, when previous contestants leave the arena. FAILURE TO DO SO CAN ALSO RESULT IN A \$25 FINE**

5. For the safety and well-being of livestock and contestants if a cow/calf goes down due to exhaustion or injury the time is stopped and the team can take their current time and # of head, or have the option for a re-ride, which would be ran immediately. This does not apply for downed cattle due to the rouging rule.
6. If a run is started with less or more than the correct number of cattle, the team MUST take a re-ride. With the same number called, after the correct number of cattle are in the pen. A re-run would follow immediately.
7. At judge's discretion a re-run, lap and tap, or a no time can be given if a cow leaves the arena.
8. All re-rides will occur **immediately** using the same herd, with the exception of replacing a run-away cow from the arena at the judge's discretion.
9. INJURED UNNUMBERED or UNFIT CATTLE – Prior to a team crossing the start / foul line the team must notify the judge of any UN-numbered, injured, or unfit cattle. Once brought to the judges' attention the Judge (not the contestants) will determine whether to correct the problem or proceed forward. No re-rides will be given once a team has committed to the cattle by crossing the start / foul line unless cattle become injured or UN-numbered during the run. Then at the judges' discretion the judge may stop the run and the contestants will have the choice to take their current cattle and time or a re-ride. The re-ride will occur **immediately** using the same numbered cattle once injured, or unnumbered cattle are replaced.
